Strategic Partner Group

Strategic Partner Group (SPG)

Global Trade, Import & Export Capital Facilitation Division

1. Vision & Positioning

Strategic Partner Group (SPG) is a **global consortium and investment facilitator** specializing in connecting international importers, exporters, and supply chain organizations with qualified investors, funding institutions, and strategic partners across five continents.

Whether your business manages **raw material import, finished goods export, logistics coordination, or trade finance**, SPG bridges the gap between **global opportunity and sustainable capital** through intelligent structuring, trusted partnerships, and execution excellence.

"At SPG, we don't just fund trade — we connect economies, strengthen supply chains, and accelerate cross-border growth."

---

2. Core Service Pillars for Global Trade & Supply Chain Funding

A. Capital Access & Investor Alignment

- Capital sourcing from **$5 million to $200 million+** for trade operations, port and terminal development, manufacturing-to-export pipelines, and supply chain expansion.
- Access to **private equity, venture capital, family offices, sovereign funds, trade banks, and export credit agencies**.
- Relationship-driven matchmaking between investor priorities and trade objectives

funding companies for startups

B. Trade Finance & Structuring Solutions

- Structured trade finance, letters of credit facilitation, and export receivable funding.
- Blended funding models combining **equity, debt, and commodity-based collateralization**.

- SPG-managed documentation for bankable international transactions and risk mitigation.

C. Strategic Partnerships & Consortium Building

- Creation of **import/export consortiums** linking manufacturers, distributors, and logistics providers.
- Development of **co-branded investment vehicles** for repeat trade and shipment cycles.
- Facilitation of **public–private partnerships (PPP)** for port modernization, free-trade zones, and export processing hubs

funding companies for startups.

D. Due Diligence & Compliance Assurance

- Pre-screening for trade compliance, customs certification, and export control readiness.
- ESG verification and sustainability benchmarking for global investors.
- Market validation and risk diversification strategies funding companies for startups.

E. Transaction Management & Execution

- Coordination of trade finance closings, investor negotiations, and international documentation.
- Oversight of fund flows, escrow structures, and post-funding performance monitoring funding companies for startups.

---

3. Why Global Traders Choose SPG

🌎 **Global Reach, Local Access** – Investor and partner networks across North America, Europe, Africa, Asia, and LATAM funding companies for startups

💼 **Trade-Ready Capital Programs** – Flexible funding for manufacturing, shipping, and logistics.

⚙️ **End-to-End Execution** – From strategic planning to capital closing.

📊 **Financial Structuring Expertise** – Proven success with $5M–$200M+ transactions.
🤝 **Long-Term Partnership Focus** – Sustainable, repeatable trade finance solutions.

---

4. Capital Access Framework

Stage	Capital Range	Typical Partner Type	Funding Source
Growth	$10M–$50M	Exporters, distributors, supply chain operators	Family offices, private equity
Institutional	$50M–$200M+	Global traders, logistics consortiums, infrastructure projects	Institutional investors, sovereign funds, trade finance institutions funding companies for startups

---

5. Engagement Model

1. **Discovery & Assessment** – Define funding scope, trade cycle, and objectives.
2. **Investor Mapping** – Identify matching global capital sources.
3. **Investment Packaging** – Develop financial models and documentation.
4. **Introductions & Facilitation** – Engage aligned investors and partners.
5. **Negotiation & Closing** – Complete transactions through structured SPG oversight

funding companies for startups.

---

6. Leadership & Global Track Record

✉️ **Outreach Email – Global Import & Export Partnerships**

Subject: Access $5M–$200M+ in Funding for Import, Export & Global Trade Operations

Body:
Dear [Name],

I'd like to introduce **Strategic Partner Group (SPG)** — a global consortium specializing in funding facilitation and strategic partnerships for **importers, exporters, and supply chain organizations**.

We connect credible trade operators with **private equity, institutional investors, and global financial partners**, offering funding solutions from **$5 million to $200 million+** for:

- Working capital and trade finance
- Fleet and logistics expansion
- Port and terminal infrastructure
- Manufacturing-to-export pipelines
- Cross-border consortium partnerships

SPG's end-to-end service includes **investment packaging, trade structuring, and investor introductions**—ensuring compliant, well-structured, and successful funding transactions.

If your company is expanding its import/export capacity or seeking global trade finance, I'd welcome a short conversation to explore potential partnerships.

Warm regards,
Sam Jacobs
